RE: SCIIP GRANT #A-23-P152

Dear Mr. Bingham Jr.,

The Town of Norway appreciates your interest in the Town's Water and Sewer Evaluation Plan. After review of the proposal, American Engineering Consultants is the highest rated respondent. The Town of Norway has chosen to go forward with American Engineering Consultants, Inc., for this project. This intent to award a contract is contingent upon the Rural Infrastructure Authority (RIA) approving said contract. Please supply a copy of the contract to the Lower Savannah Council of Governments. Thank you and we look forward to working with you.

Sincerely,
